Unit Recognition and Definitions

A. Unit Membership

In accordance with N.J.S.A. 34:13A-1, the Board hereby recognizes the Delran Schools Administrative Association as the exclusive and sole representative for the collective negotiation concerning the terms and conditions for employment for all certified personnel whether under contract, on leave, on a per diem basis, employed or to be employed by the Board, including only: Principals, Assistant Principals, and Director of Guidance.

B. Definition

Unless otherwise indicated, the term "administrator", when used hereafter in this agreement, shall refer to all professional employees represented by the Association in the negotiating unit as above defined.

ARTICLE II

Negotiations

A. Deadline Dates

The parties agree to enter into collective negotiations over an agreement in accordance with N.J.S.A. 34:13A-1 in a good faith effort to reach agreement on all matters concerning the terms and conditions of administrators' employment. Negotiations shall begin no later than December 15 of the calendar year in which this agreement expires.

B. Negotiating Team Authority

Neither party in any negotiations shall have any control over the selection of the negotiating representatives of the other party. The parties mutually pledge that their representatives shall be clothed with all necessary power and authority to make and consider proposals and make counterproposals in the course of negotiations.

C. Maintaining Current Benefits

All terms and conditions of employment, verbal or written, prior to this agreement shall be in effect unless or until modified by the terms of present said agreement. If for any reason, there is a lapse of continuity of one contract to the next, all current working conditions will remain in effect.

ARTICLE III

Grievance Procedure

A. Definitions:

1. **Grievance:** A "grievance" is a written claim by an administrator or the Association based upon the interpretation, application, or violation of this agreement, policies, or administrative decisions affecting an administrator or group of administrators.
2. **Aggrieved Person:** An "aggrieved person" is the person or persons or the Association making the claim.
3. **Party In Interest:** A "party in interest" is the person or persons making the claim and any person, including the Association or the Board, who might be required to take action, or against whom action may be taken, in order to resolve the claim.

B. Purpose:

The purpose of the procedure is to secure, at the LOWEST possible level, equitable solutions to those problems which may from time to time arise affecting administrators. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure:

1. **Time Limits:** The number of days indicated at each level should be considered maximum and every effort should be made to expedite the process. Time limits, however, may be extended by mutual agreement.

Level I - Superintendent

If the aggrieved person is not satisfied with the disposition of his/her grievance at Level I, or if no decision has been rendered within five (5) school days after the presentation of the grievance, he/she may file the grievance in writing to the Association within five (5) workdays after the decision at Level I, or ten (10) workdays after the grievance was presented, whichever is sooner. Within five (5) workdays after receiving the written grievance, the Association shall refer it to the Board of Education.

Level II - Board of Education

If the aggrieved person is not satisfied with the decision of the Superintendent, he may within five (5) workdays of receipt of the Superintendent's decision ask the Association to submit said grievance to the Board of Education or Committee of the Board for consideration. The Board will meet in special session for that purpose within five (5) workdays and submit its decision to the Association. If said decision is not acceptable, the Association may proceed to Level III, Arbitration.

Level III - Arbitration

- a. Within ten (10) days after such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association by either party. The parties shall then be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.
- b. The arbitrator so selected shall confer with the representatives of the Board and the Association and hold hearings promptly and shall

issue his/her decision not later than twenty (20) days from the date of the close of the hearings, or, if oral hearings have been waived, then from the date the final statements and proofs were submitted to him/her. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning, and conclusion on the issues submitted. The arbitrator shall be without power or authority to make any decision which would require the commission of an act prohibited by law or which is violative of the terms of this agreement. The decision of the arbitrator shall be final and binding on the parties. Within twenty (20) workdays, the Association shall decide whether to file for arbitration. If the Association fails to file for arbitration within that time period, the grievance shall be deemed abandoned.

- c. The costs for the services of the arbitrator, including per diem expenses if any, and actual necessary travel, subsistence expenses, and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expense incurred shall be paid by the party incurring same.

D. Rights of Administrators to Representation

1. **Administrators and Association**

Any aggrieved person may be represented at all stages of the grievance procedure by himself/herself, or at his/her option, a representative selected or approved by the Association. When an administrator is not represented by the Association, the Association shall have the right to present and state its views at all stages of the grievance procedure.

2. **Reprisals**

No reprisals of any kind shall be taken by the Board or by any member of the Superintendent's staff against any party in interest, any representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.

E. Miscellaneous

1. Group Grievance

If in the judgment of the Association, a grievance affects a group or class of Administration, the Association may submit such grievance in writing to the Superintendent directly and the processing of such grievance shall be commenced at Level II. The Association may process such a grievance through all levels of the grievance procedure even though the aggrieved person does not wish to do so.

2. Written Decisions

All decisions of the grievance procedure shall be in writing. Decisions rendered at Level I which are unsatisfactory to the aggrieved person, and all decisions rendered at Levels II and III of the grievance procedure, shall be in writing setting forth the decision and the reasons therefore, and shall be transmitted promptly to all parties in interest and to the Association. Decisions rendered at Level III shall be in accordance with the procedures set forth in Section C.

3. Forms

Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared by the Association and given appropriate distribution as to facilitate operation of the grievance procedure.

4. Meetings and Hearings

All meetings and hearings under this procedure shall not be conducted in public and shall include only parties in interest and their designated or selected representative(s) heretofore referred to in this article.

ARTICLE IV

- B. When a particular school's student population reaches a level which prevents the principal from discharging his/her duties in a manner consistent with the best interests of the school at large, these concerns should be forwarded to the Superintendent with a request for additional personnel needed to carry on the program. The aforementioned will not apply in the event of an emergency, religious observance, or other cause as determined by the Superintendent of Schools.
- D. Adequate secretarial assistance shall be provided for all administrators. In the absence of the secretary, a substitute may be employed with the approval of the Superintendent.
- E. A member who dies before his/her contract period is completed shall have payment for his/her vacation days given to his/her estate.

ARTICLE VI
